=====

VIRTUAL RALLY, Wednesday, May 23, 2007

=====

This information is accurate at the time this CAL-ERT was written and originally distributed. The NRA Members' Councils of California will keep you informed as the situation changes in Sacramento.

IMMEDIATE ACTION REQUIRED!!!

VIRTUAL RALLY, Wednesday, May 23, 2007

IT'S TIME TO LIGHT-UP THE PHONES IN SACRAMENTO

Join us and help defend California's firearm freedoms

In Sacramento, the anti-gun hysteria is at a fever pitch, and groups like the so-called "Brady Campaign" are promoting even more of it.

Upset by NRA's victories in the Democrat controlled legislature, these anti-gun zealots are attempting to copy one of our most successful strategies --- *direct lobbying by constituents!* In other words, *people contacting the legislature in mass.*

Working in conjunction with the NRA-ILA State Liaison, Ed Worley, the [NRA Members' Councils](#) have - for the last several years - used their latest Internet based communication system to deliver a crushing volume of calls, faxes and emails into the State Capitol.

YOU CAN HELP PROTECT THE SECOND AMENDMENT AND STOP THE ANTI-FREEDOM FRINGE!

SITUATION; Gun banners are getting active

- On Wednesday, May 23rd, 2007 - Gun banners from the "Brady Campaign" will be lobbying (in support of more gun control) in the State Capitol from 9:30AM until 4:00PM. They call this activity, "LOBBY DAY 2007"

WHAT YOU CAN DO: Tell the Legislators to stop supporting ill-conceived gun control proposals

- **RIGHT NOW**: Send this message to every gun owner you know. Include all: gun clubs, stores, ranges, RKBA groups, etc. Cross-post this on the Internet on web sites and firearm-related forums. Email this link <http://www.calnra.com/calerts/calert051707.shtml> to everyone you know.
- **RIGHT NOW**: On the Internet, go to the California Legislative Contact Page at: <http://www.calnra.com/legs.shtml> and use our ONE-CLICK email delivery system to contact the Assembly or Senate with a single message regarding pending legislation. *Note: emails will be received in the legislators offices with the "From:" field set to the ORIGINAL SENDER. Remember that you are sending a single Email to several people. You should address your message accordingly. Example: Dear Assembly Member, . (Legislators will not see that they are receiving the same message as the others.)*
- **WEDNESDAY, MAY 23RD**: Call and Fax the legislature and voice your opposition to more gun control proposals! And make those phone calls/faxes between 9:30AM until 4:00PM. The Brady Bunch will be visiting the legislative offices at the same time your calls and faxes will be arriving. Contact information, including phone fax numbers, is listed on the CA Legislative Contact Pages at: <http://www.calnra.com/legs/asm.shtml> and <http://www.calnra.com/legs/sen.shtml> .

Together, our voices will be heard! --- Together, we can stop the anti-freedom forces & win back our rights!
