ELECTION 2002 -- GET OUT THE VOTE!

The elections have tightened up and several key races are too-close-to-call. This makes your vote even more important. It is critical that you cast your vote this Tuesday, November 5th, but you can do a lot more to help the cause of freedom.

This election is predicted to have a very low turnout. This means that every vote cast is more important than ever before. If NRA-PVF endorsed candidates are to win, we must help turn out every possible person to VOTE FREEDOM FIRST!

Follow these steps to help freedom win on election day:

- Go to <http://www.NRAPVF.org> or contact your local NRA Members' Council or look in your NRA magazine and determine which candidates have earned the NRA's endorsement.
- Contact every person that you know and ask them to vote for these candidates while informing them of the importance of their pro-freedom vote this election. Forward this message via email, post it on the Internet, and call all of your friends and relatives. Check your phone index, holiday card list, and PDA for contacts.
- Print copies of this "printable flyer" and distribute them anywhere firearms owners congregate. Examples: Gun/sporting goods stores, ranges, clubs, work (if allowed), etc.
- Follow-up with your contacts to make sure that they have voted or are planning to vote. A reminder is very important to some people. If possible, assist those that need help getting to the polls.

If each of us contacts everyone that we know and gets them to vote, we stand a much better chance of winning this Tuesday. All we are asking is that you get involved during the next couple of days. Your efforts can make a difference for the future of our Second Amendment freedoms.

Thank you in advance.
