Secretary - Lee Schachterle lwschl125@aol.com
Activities Chairman–Luke Gray (916) 991-4310
Communications–Jim Holtzman holtzman@surewest.net

November is election time, Vote Vote Vote

Because we are not a political group, we can't make political recommendations, but we can do our best to encourage you to vote, as it really does count. If you vote absentee, please open your ballot envelope now and make sure there are two ballots. One should be for the people running and the other for the propositions. Be sure and get out and vote, it counts -

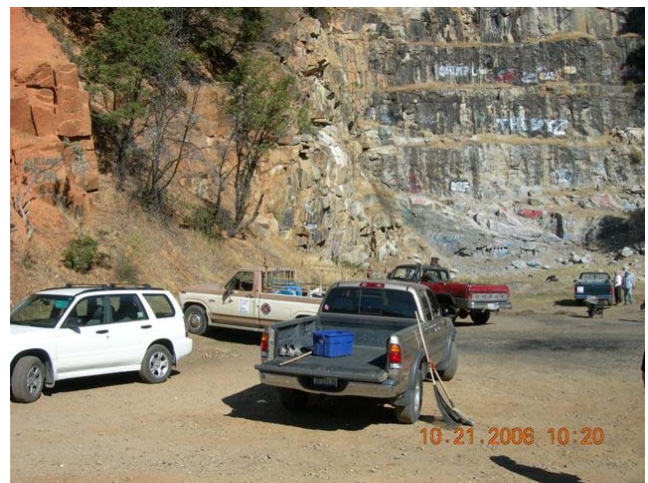

PLINK: SPECIAL AMADOR COUNTY SHOOTING AREA CLEANUP

From last month, U.S. Forest Service has again asked PLINK for help to clean up shot shells and targets from Tiger Creek Quarry. Not that I had time on my hands, I just had to come up for air (fresh air) and get out of the flatlands. Saturday morning, I met Steve and others at the Fireman's Café in Diamond Springs for breakfast. Around 9AM we left and traveled via hwy 49 over to hwy 88, up into the Sierras to the Tiger Creek PG&E generation station. This shooting site was a little out of our way but we did a fantastic job. If the spot had been cleaned before, it certainly wasn't obvious.

Gun show and ISE shows coming up soon, we need volunteers, if you can't make the meeting, please contact Jim Post and let him know you can be there.

The dirty dozen, don't forget, somebody had to take the photo -

PLINK is a cooperative program of the NRA Members Council, El Dorado Rod & Gun Club, and the USFS.

Steve Morgan [<NRAPLINK@COMCAST.NET>](mailto:NRAPLINK@COMCAST.NET)
